

# Interact With Other Users

- **Chat**

Select Chat (speech bubble icon) on the bottom left to view any messages you've received while in the Space, as well as to send messages to others.

- **Private Room**

Private room space exclusively designed for team members to collaborate, discuss ideas, and foster seamless communication. This unique feature empowers your team to engage in productive discussions

**NOTE-**You can only use this feature when the organizer sets it to private mode

- **Gestures**

You can engage with users through a diverse range of gestures, creating a highly interactive experience
